

Dear Sgt.

Got your Card Day or two ago. Sure glad to hear from you & to know you or atleast me & my wife just got back from Christmas Shopping

it has been Raining here all Day and Giving Snow for to mornow

Seruy I did not answer your letter I had a Bad Sick Spell after I saw your fishing Buddy I passed out <sup>while</sup> ~~at~~ at work I had the symptoms of a Hart attack But it was from the heat I had open Hart Surgery in 1985. I still Dont have any feeling in my fingers

I Cant Rember seeing you after we were attacked By that Flame thrower I Dont think we would have made it if you had lost your coal. I Dont know how much amo. you had. I for your Carbine But I Had very little left I had less a ~~to~~ clip for my Bar I Dont know why we I could not stop   
 → that Guy he was very close to me & you when herald Dells Got him with a Baynet God was with us all the time But that time he was Real close I Dont know I Dont know What happened to me Between St. Lou

& Brust I kept trying to think of something that happened along the way. I had to be with some body for I did not get there by my self I come to one day in a hospital in Brust & and a medic said he is awake & give me a pill & put me out again I dont know how long I stayed there a week or a Day or month

~~I was~~ I wake up one morning & they said they were going to take me out to the air strip & fly me back to England & and I stayed in a hospital in Fiver Pool a month then they sent me to Mason General hospital on Long Island N.Y.

I Remember you & Capt Wise finding me I kept thinking my sister Hener & am Bauer was killed I Remember you getting a medic for me. Did you see them when you found me let me know when I hear from you again & once again I am sorry I did not answer your letter sooner & am sure if you had not found me I would not be here to Day Day. I had better stop my eyes I getting pretty weak I hope you have a good Christmas I am your friend in Pitaville that sent you the Pens. Enoch-P. Potten
