I am George e. Tibbetts from Co. K 120th Inf. I see your insert in the 30th Div. News Was glad to get your adress

I am now retired, unmarried living alone. I worked a few years in metal working, when I got out of the service then went in oil burner work and heating installatiostill I Had a heart attack late in 79. Been on social security ever sence, with vets pension as well. Witch lets me get along pretty well But I don't have enough to fool around with

It seems to me when we first got to blanding that you told us that you were studying to be avet. When you got out of the service did you ever follow up on this?

I hope to hear from you soon

George E. Tibbetts Jr.
